

**WINTER 2020
BRIDGER CREEK GOLF COURSE AND
ROCKY MOUNTAIN GOLF ACADEMY**

When we crank that shot out of bounds or three putt from 15 feet our inner voice might say, “Why do I bother playing this stupid game?” David Forgan obviously gave it considerable thought. He wrote ‘The Golfer’s Creed’ 120 years ago.

“Golf is a science, the study of a lifetime, in which you may exhaust yourself, but never your subject. It is a contest, a duel, or a melee, calling for courage, skill, strategy and self-control. It is a test of temper, a trial of honor, a revealer of character. It affords a chance to play the man and act the gentleman. It means going into God’s out-of-doors, getting close to nature, fresh air, exercise, a sweeping away of mental cobwebs, genuine recreation of tired tissues. It is a cure for care, an antidote to worry. It includes companionship for friends, social intercourse, opportunity for courtesy, kindness and generosity to an opponent. It promotes not only physical health but moral force.”

Feeling better? I thought so.
Golf is a great game and we’re happy you play.
