

**WINTER 2023
BRIDGER CREEK GOLF COURSE AND
ROCKY MOUNTAIN GOLF ACADEMY**

“No man ever steps in the same river twice, for it is not the same river and he is not the same man. There is nothing permanent except change.” You guessed it, that was Heraclitus your favorite Greek Philosopher speaking sage words.

That start might be a tad over dramatic, but change is happening here at Bridger Creek. The head greenkeeper, Dane Gamble, and yours truly have decided we need to spend more time encouraging new superintendent James Gamble and head professional Jon McAleer and less time in the BCGC trenches. We have been “at it” for 30 years and are proud of what we have accomplished. So, our goal for 2024 is to turn the day- to- day management over to the young guys. We are transitioning. I have heard playing golf is fun, so maybe we will do more of that. Novel idea indeed.

Jon and James will make changes, we are as certain as Heraclitus of that, but I am sure they will be positive and creative.

We love some consistency as well; friendly customer service, well-kept golf course, vibrant leagues, community bolstering outings, teaching all ages and levels how to love and get better at golf. In short, our mission for the past 30 years.

It is not possible to have a business for thirty plus years without friendly, understanding, helpful, supportive customers. You have been those people, and we are very grateful. We are also looking forward to seeing you this upcoming golf season at Bridger Creek.

All the Best,
Mark Holiday
PGA director of Golf
